Chief Executive's Update - September 2016

Dear colleague.

The year since I started at West London Business has been one of substantial change for the organisation and also the external environment in which we operate. Here are a few highlights from our current work:

- **INSIGHT:** Find signposting to [Brexit advice and support](#), including [commentary from the Bank of England](#). In the next few weeks look out for news on a major update to the Members' Area of our website.
- **VOICE:** The work of four West London [policy commissions](#) is now well underway. If your company would like to contribute evidence email clarence.bretz@westlondon.com and please ensure that your HR director/ manager has completed the [survey from the Education & Skills Commission](#).
- **CONNECTIONS:** A few of our forthcoming events are featured below. Our September gathering at Fuller's Brewery will be [preceded by our AGM](#). If you are a member, do try [installing the WLB mobile app](#) on your smartphone - and don't forget to start work on your entries for the [Awards 2017](#) which is open to members and non-members..

As always, please do not hesitate to get in touch with any queries or ideas you would like to discuss.
